## CVRD signs long-term contracts with a group of Chinese steel companies

Companhia Vale do Rio Doce (CVRD) announces that it signed new and additive long-term contracts to sell iron ore to a group of Chinese steel companies, which will involve additional average annual sales volume of 19.4 million tons between 2007 and 2017 and 8.1 million tons between 2018 and 2031.

These contracts contribute to strengthen even further the excellent relationship that already exists between CVRD and its Chinese clients and reflects CVRD position as the most important high quality iron ore supplier to China.
