Vale clarifies news reports on iron ore production

Concerning news reports published by some news agencies today, Vale clarifies that:

- 1) Vale denies that any of its executives has said that the company will cut its iron ore production by 25% in 2009;
- 2) Vale denies this projection for iron ore production in 2009;
- 3) Vale released today its production report for the first quarter of 2009, which is available on our website. Further information may be obtained in the mentioned document.
