

Vale informs on Stability Condition Declarations

Rio de Janeiro, April 1st, 2021 - Vale SA (“Vale” or “Company”) informs, in view of the semiannual submission to the National Mining Agency of the Regular Safety Inspection Reports related to the Company's dams, those covered by the National Dam Safety Policy, pursuant to Ordinance 70389 DNPM/ANM, that it updated its information to the agency on March 31, 2021. Information on the structures and on the evolution of Vale's dam control and management practices, including ongoing measures to improve the safety conditions of the structures, is available on Vale's ESG Portal. For further details on the aforesaid update, visit <http://www.vale.com/esg/en/Pages/ControlManagementDams.aspx>.

Luciano Siani Pires
Executive Officer of Investor Relations

Ever since the Covid-19 outbreak began, our highest priority is the health and safety of our employees. Our IR team adopted work-from-home, and as we continue to face these new circumstances, we strongly recommend you prioritize e-mail and online engagement.

This press release may include statements that present Vale's expectations about future events or results. All statements, when based upon expectations about the future, involve various risks and uncertainties. Vale cannot guarantee that such statements will prove correct. These risks and uncertainties include factors related to the following: (a) the countries where we operate, especially Brazil and Canada; (b) the global economy; (c) the capital markets; (d) the mining and metals prices and their dependence on global industrial production, which is cyclical by nature; and (e) global competition in the markets in which Vale operates. To obtain further information on factors that may lead to results different from those forecast by Vale, please consult the reports Vale files with the U.S. Securities and Exchange Commission (SEC), the Brazilian Comissão de Valores Mobiliários (CVM) and in particular the factors discussed under “Forward-Looking Statements” and “Risk Factors” in Vale's annual report on Form 20-F.
